For premises violations that are not corrected, the fines may apply and be calculated for each day the violation continues, as well as any costs incurred by the City for the violation may be added as restitution.

If any provision, clause, sentence, paragraph or section of this ordinance, or the application thereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect the other provisions of this ordinance which can be given effect without the invalid provision or application, and to this end, the provisions of this ordinance are declared severable.
