Noteworthy Information & Activity:

1. BSPD Officers continue with our commitment to assist residents with the pick-up and deliver medications from the local pharmacy, and small orders from Harps here in town to those residents who are shut – in or high risk for the COVID 19 virus. The citizens need to just call us, and we will assist them.

2. We are about 5 months away from our annual Shop with a Cop & Fireman. Our fundraising efforts have been greatly curtailed because of COVID 19. We believe this year we will see a significant increase in the need to assist. We welcome any assistance that the community could provide so we can assist those in need.

3. We continue to explore various Grant funding opportunities, particularly opportunities through the CARES Act.
