Noteworthy Information & Activity:

1. BSPD Officers continue with our commitment to assist residents with the pick-up and deliver medications from the local pharmacy, and small orders from Harps here in town to those residents who are shut – in or high risk for the COVID 19 virus. The citizens need to just call us, and we will assist them.

2. We are currently conducting a background investigation on a candidate whom we have selected for the 4th Police Officer position. If everything checks out, we anticipate extending a conditional offer of employment by the end of February.

3. We received a very generous donation from Mr. & Mrs. Phillip Bergholt to be used for the upfitting of the new patrol car. This donation was made to the PD in a show of gratitude for the special attention that P.O. Sanders has provided to them during the pandemic. The Bergholt's are elderly and have resided in Bull Shoals for several years and are most grateful for the services provided.

4. We have placed the order for the new patrol vehicle and continue to work on additional grant funding to pay for the upfitting.

5. The radio communication system still is not properly functioning. Numerous requests to get the problem fixed &/or troubleshoot have gone unanswered by Marion County Judge's office.
