RESOLUTION 2011-R-10

Be it resolved by the City Council of Bull Shoals, Arkansas a Resolution  
entitled: GIF II Grant.

A Resolution authorizing the Mayor of the City of Bull Shoals to apply for a grant on behalf of the Bull Shoals Community.

Whereas, the Bull Shoals City Council has determined that the Bull Shoals Community meets eligibility requirements necessary to apply for a grant under the GIF Fire Protection Grant; and

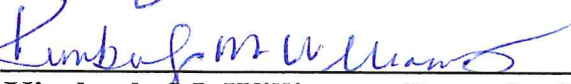

Whereas, the Bull Shoals Community has presented plans to replace twin 175 H.P. outboard engines on the only Fire/Rescue Boat on Bull Shoals Lake. The present engines are completely obsolete, with only one engine working and to repair it is very costly with the outcome of the repairs uncertain. Replacement engines would be more fuel efficient and dependable. The engines would ensure the best and only Fire/Rescue response to citizens that come to enjoy our lake.

Whereas, the City Council recognizes the need for the project, concurs its importance and supports the Bull Shoals Community in its efforts to proceed with same; and

Therefore, be it resolved, that the Mayor of Bull Shoals is hereby authorized to submit an application of formal request to the Arkansas Rural Development Commission for purposes of securing State grant funds in the amount of \$23,275.00 to aid and assist the Bull Shoals Community in executing the proposed project described herein and that the Recorder/Treasurer of Bull Shoals is further authorized to administer the grant funds for the same project.

This Resolution Adopted in Regular Session on the 27<sup>th</sup> day of October, 2011
